

Environmental Health

HHW Collection Facilities

Household hazardous waste (HHW) should **never** be thrown into the trash or poured down the sink, sewer or storm drains. Improper disposal may injure refuse workers, pollute ground water, waterways, and our oceans, potentially destroying marine life. For these reasons, improper disposal is illegal.

Disposal for County Residents

The County has access to two permanent HHW collection facilities to accept HHW from unincorporated County residents. The locations are:

<p>Ramona 324 Maple Street, Ramona, 92065 (Ramona Disposal Transfer Station)</p> <p>Appointments Required call (877) 713-2784 for an appointment or click below for our online appointment scheduler</p> <p>Appointments available 1st and 3rd Saturdays from 9:00 am - 1:00 pm.</p> <p></p>	<p>El Cajon 1001 W. Disposal for City Residents

If you do **not** live in the unincorporated areas of the County, you will need to contact your city's HHW program for disposal information. Here is a **current contact list** by city.

Disposal for Oil, Oil Filters, and Electronics

Used oil, oil filters, and electronics can be recycled at many local businesses. Call the HHW Hotline (877-R-1-EARTH/877-713-2784) or search www.wastefree.org for a location nearest you.

Remember

- Do not transport more than the legal limit of 15 gallons or 125 pounds of HHW.
- All container labels must be legible (no worn-off labels)
- All containers must be sealed and not leaking
- Do not mix different products into one container
- HHW must be transported in the trunk of the car or in another area away from passengers and pets
- For qualified elderly or disabled unincorporated County residents only, a pick up service is available upon approval (call 877-713-2784 for an appointment).
