The property address listed above may request a de minimis waiver from organic recycling collection service for the reason(s) indicated below. Please note, only commercial businesses may petition for a *De minimis waiver* according to the exemptions below. Please check the option that apply for your business:

The solid waste collection service for this business is 2 cubic yards or more per week and this business generates less than 20 gallons per week of organics waste.

Or

The solid waste collection service for this business is less than 2 cubic yards per week and this business generates less than 10 gallons per week of organics waste.

*Organic waste includes food waste, landscape trimmings, paper towels, scrap paper, cardboard, and compostable paper that includes food-soiled paper.

By checking this option, I acknowledge the criteria listed below:

- ❖ I attest that all information presented herein to be true and accurate and that no organic waste materials generated at this property will be landfilled if this waiver is approved.
- ❖ I understand that if the circumstances listed on this waiver request change in such a way that this property no longer satisfies the applicable criteria for a waiver, I will be required to notify the City and the waiver will be rescinded.
- ❖ Waivers are required to be re-certified every 5-years.

I acknowledge that the City and/or EDCO perform occasional inspections of the site to ensure that waste diversion is still occurring onsite and if significant amount of organic waste is found in the trash, that approved waiver will be cancelled and EDCO will deliver organic waste carts to this property.
